ESTORIL
POLITICAL
FORUM

JUNE 25-27
2018

Patriotism, Cosmopolitanism & Democracy

The 26th annual edition of the Estoril Political Forum will focus on the relationship between the national sentiment and cosmopolitan views – a crucial question that has recently returned to the centre of political and academic debates. Refusing the unfortunate dichotomy between nationalism and internationalism, we will encourage a civilised conversation between different views on patriotism and cosmopolitanism, as well as on the contribution of both to modern democracies.

in association with
